

Frimley Health NHS Foundation Trust Our Surgical AEC Journey

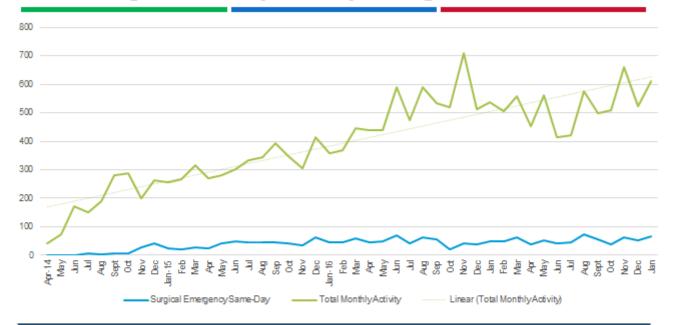

- Wexham Park Hospital had an established Medical AEC
- Occasional Surgical patients were seen in AEC but no pathway for this
- No dedicated team for SAEC
- WPH new ED build completion date April 2019

Changes/Improvements

- Assigned Registrars to cover SAEC 13:00-17:00 Mon-Fri
- Specialty Doctor increased SAEC capacity (approx 3 mornings per week)
- Online booking system for SAEC. Access/viewed by all
- SAEC Coordinator role introduced ensures patients attend investigations, books patients in for SAEC review
- AEC Clinical Governance set up

Measurement/Impact of Changes

Total Surgical Patients since opening: 1805

- Limited space for patient assessment/treatment, patient waiting area & for clinician administration. Awaiting new ED to be built.
- No additional capacity using current resources (SpR's, Specialty Doctor, AEC Nurses)
- Roles & responsibilities not adhered by all. ? Due to understanding
- Not consultant led at present
- Radiology no dedicated CT/MRI scan slots

- Recruit x2 additional General Surgery Consultants
 Include SAEC in rota for all x10 Consultants
- SAEC policy
- Plan to increase same-day patients vs next-day planned returns
- Completion of new ED with dedicated Surgical SSU and larger purpose built AEC Unit!
